

HOT TIPS FOR USING VINEGAR

1. **Windows:** Use full strength white vinegar a spray bottle and wash streaks and film from windows. Dry with a soft cloth.
2. **Tile or Linoleum Floors:** Mop tile or linoleum floors with a solution containing $\frac{1}{2}$ cup of white vinegar per gallon of water. Buff with a soft dry cloth to revive the luster and shine.
3. **Cutting Board:** Cut grease and absorbed odors; wipe down the cutting board and counter tops with white vinegar.
4. **Coffee Maker:** Once a month, fill automatic drip coffee maker reservoir with full strength white vinegar. Run the vinegar through one cycle and water through two cycles to rinse.
5. **Microwave:** Mix $\frac{1}{4}$ cup white vinegar and 1 cup water in a small bowl and heat for 5 minutes. This will remove lingering odors and loosen food spills.
6. **Laundry Room:** Reduce soap residue by adding 1 cup of white Vinegar to the rise cycle to break down the uric acid and irritating soap residue in all your clothes.
7. **Rice:** Add a teaspoon of white vinegar to the boiling water. Your rice will be easier to spoon and less sticky.
8. **Marinate Beef:** Simply moisten the meat with white vinegar and rub a mixture of dry spices, herbs and seasonings.
9. **Apples, Pears and Potatoes:** Place produce in a bowl of water with two tablespoons of white vinegar until ready to use.

Do not use on marble. In addition to making food taste great, use white vinegar around the house. Unlike most household cleaning products, white vinegar is all natural and safe for consumption.
